This matter is before the Public Service Commission of South Carolina (the Commission) on the July 6, 1995 Petition of Piedmont Natural Gas Company (Piedmont) to withdraw its intervention in this Docket involving the Integrated Resource Plan (IRP) approval request of Duke Power Company (Duke). According to its Motion to Withdraw its Petition to Intervene, Piedmont states that it seeks leave to withdraw its intervention in this Docket so that electric and gas competitive and DSM issues may be pursued in Docket No. 94-618-E/G as contemplated and agreed to by Duke and Piedmont.

The Commission has examined this matter and believes that the relief sought by Piedmont Natural Gas Company should be granted.
